Roll Call

The senior breakfast had a good turnout. Booster paid for the plaques. About 300 kids attended. The gift was a portable charger.

The golf outing will be October 7, back at Palatine.

On the athletic requests:

Suzanne asked what is "foyer branding"

Sue asks "how does it benefit kids"

Mike "we need to spruce up the lobby"

The GPS for soccer only approving \$5000, not \$10,000. Only approve half.

Jim suggested a pizza warmer. The one we have does not work.

We are voting on roughly \$41,000 requests. Approved by majority. Need to follow up on the soccer request. Seems like a system for elite players, not a HS program.

Kathy Spicer will assist for a year after her retirement this year. Her position in the school may not be replaced. Maybe partner with DECA/Computer/entrepreneurs to assist with apparel sales. Tracy will investigate on line sales.

Got-to-Run is this Saturday. We pushed checking the box for PHS, and we get some contribution.

Day of Knights Fall will be first Saturday after classes start. August 18, from 8-11am

Send all promos/fundraiser to Donna and Carla so they can post on Twitter and Facebook.

The AD at a lower income area middle school could be interested.

Andrew suggested a "garage sale"

Fundraisers:

Got to Run and AmazonSmiles

No new Business.
