Frank update:

The state plaques are up

Frank is headed to Halas Hall to get some "branding" ideas. Ways to capture history. Feeling of history lost with the removal of the pictures that used to line the hallways.

There will be a "5th" quarter, dance after a basketball game on 1/19 or 1/26

1/17/18 Curriculum night for incoming freshman

2/8/18 Activity night for incoming Freshman

Frank asked "what can the coaches do for you" as booster reps.

Football has "coaches corner"

Swimming coach does great job communicating. Others not so much. Would like more communication with Reps, so Reps can keep parents informed.

Apparel

Kathy Spicer will not be here next year.

12/21/17 silent night, should we have apparel

2/8/18 sell apparel at Activity night

2/8/18 also have a ReUKnight table set up.

BOSTERPALOOZA will be 3/3/18 at Arlington Ale House

Planning committee meeting at Arlington Ale House on Tuesday

Maybe drop games?

Frank told us about "heartsmart" on 2/14/18

Kids can sign up to have their heart checked out. Cost \$15

Swimmers and Basketball can sign up for EKG.

There will be an all school email blast

This is recommended every 2 years

Will be asking for volunteers
