BOOSTERPALOOZA – UPDATE

Since this is the first year for this event – we have been working with the PHS administration on the 'best' way to hold this fundraiser. The first plan raised some questions with PHS administration and we are working on possible new venues and dates that will allow this event to still happen in 2017. Please join us on Feb 13th at our annual meeting as we discuss possible new venues, dates, etc.

Boosters as a Parent Program Option....

Background.... Our club was organized as a unincorporated association in 2001 and shortly after applied for and received *501 (c) (3)* status. Our club raises funds through membership dues, annual golf outing, apparel sales, annual 5K run and up until this year through hosting several boys' basketball feeder tournaments. This year PHS took over the feeder tournaments and our club currently plans to replace this through a more social fund raising event (Boosterpalooza).

A proposal to operate our club as a Parent Program under the D214 umbrella was presented to members at the Jan 30th monthly meeting. Operating as a parent program would simplify our structure allowing us to raise and disperse funds more efficiently and with less liability. This discussion along with a vote on the proposal will continue at our next monthly meeting on Feb 13th. We invite ALL members to join this discussion and vote. Please bring your questions and concerns with you. If you cannot make the meeting or prefer to ask your questions privately please send an email (prospectknightbooster@gmail.com) with your phone number and a member of the executive board will call you directly.
