Had the luncheon for the "lite" athletes from fall. Catered by Salernos.

We had a lot of positive feedback from the students that were there. We will continue after each season.

February 21st is the incoming freshman activity fair.

Question brought to the group:

Would it be beneficial as part of the 2/21 fair to have a question/answer session with current athletes on how to balance athletics and activities with day to day school and studies?

We would need to lengthen the evening

Maybe list out topics for discussion

Summer Camp schedules come out the Monday after Spring Break

What academic assistance is available?

List cost of program up front, ie if there are additional costs associated with a specific sport

Do they do fundraising?

Many middle schoolers would love HS Spirit wear for Christmas. Maybe advertise at the MS that there are apparel sales going on at the holiday craft fair.

PHS is shifting the academic focus:

Encouraging kids to really look at schedules and the classes they are taking and make sure they are taking classes for the right reasons.

Look at dual credit options. Student gets college credit, without taking the AP test.

Some suggestions for apparel:

Bucket hats

Visors

Zip up sweatshirts, and the lace up hoody.

Better hat selection
