

RE - U - KNIGHT

PHS Athletic Gear for Knights

A program designed to recycle high school size sporting gear and clothing for the sports offered at Prospect High School. The athletic items will be available to our own students to help offset the cost of joining a sport to those in need. The head coaches will have access to the locker and use their discretion for distributing athletic items.

2 Student Service Leaders Needed from each Varsity Team!

Service Leaders will need to be appointed by each head coach at the beginning of their season. These Leaders will most likely be a student looking for a leadership opportunity – preferably one senior student and one younger who will take on the role the following year. They will work with coaches and team captains on this program.

Service Leader Responsibilities:

COLLECT

recyclable high school sized sporting gear and clothing associated with their sport from current and/or past athletes.

CARE

for items collected before storage. Items should be properly cleaned and odor free. (see the back of this flyer for CARE guidelines)

CATEGORIZE

the items by size and create an inventory list to be accessed by all coaches. A 'Master' inventory list is accessible in Google Docs – and will be shared with each team leader for access.

*It's important to note, the Service Leader will NOT be responsible for distributing items to the students. It is a role in organization only for their specific athletic gear stored in the "Re-U-Knight" locker.

For questions, please contact Anne Doyle (cidoyle@wowway.com) or Ann Cantieri (acantieri@comcast.net), RE-U-KNIGHT Committee Chairpersons.

*This is a unique opportunity for everyone to **make a difference** within our own Prospect High School community!!*

CARE GUIDELINES:

Cleats and Outdoor Athletic Shoes

1. Using a cloth and/or old tooth brush, remove ALL dirt and debris with laundry detergent diluted with water.
2. Dry well with dry cloth
3. Spray inside of shoe with Lysol Disinfectant and allow to dry well.
4. Zip tie (provided in closet) pairs of shoes before placing in appropriate sport bin

Indoor Shoes (wrestling, basketball, dance)

1. Spray inside of shoe with Lysol Disinfectant and allow to dry well
2. Zip tie (provided in closet) pairs of shoes before placing in appropriate sport bin

Clothing (leotards, swimsuits, apparel)

1. Wash on gentle cycle in washing machine with mild detergent
2. Air dry all swimsuits and leotards, dryer if appropriate
3. Place washed item in Ziploc bag with size written clearly on bag
4. Place items in appropriate sport bin

Equipment (shin guards, head gear, rackets, bats, gloves)

1. Wipe down any hard surfaces with soap and water or Clorox Disinfecting wipes
2. Dry well
3. Place item in Ziploc bag, if possible
4. Place items in appropriate sport bin
