## Prospect Athletic Booster Club Meeting Minutes

### **Monday September 11, 7:00-Community Room**

Meeting was called to order at 7:01pm.

Introductions were made by attendees. Over 35 people present. Great turn out.

All sports team purchases have been made except balance beam. Tennis wind screens have not been paid yet but are up on the courts; they are sending additional screens at no charge that meet the original specifications.

Sports Team Reps are still in need of a bowling team rep and several second reps.

Revenue earned from concessions at Bears Training Night: \$5400!

#### Frank's report:

- Bears training night went well. We received compliments from the Bears on our facilities, so a shout-out to the groundskeepers.
- Day of Knights has received positive feedback. There will be better communication next time regarding the event. Frank may try and do one for each new sports season.
- Homecoming is this week! Many sporting events to attend all week.
- A new fundraising company will be taking the place of "Go Fund Me." It is called "Ed Backer" and takes less of a % of the funds raised and is endorsed by Dist. 214. Parents may be seeing this used.
- Lifetouch photos – there were some issues with this photographer for sports team photos. Frank is listening to feedback and will talk more about this at the next meeting.

#### Standing Committees

Andrew will be sending out an email to all reps asking them to sign up for one of our standing committees.

Golf Outing: 100 golfers signed up so far for Oct. 1<sup>st</sup> event. Donations are being accepted.

Apparel Sales: They have gone very well at first few events. Tracy and Susan continue to get teams signed up for fall games.

Boosterpalooza: It is set for Feb. 10<sup>th</sup>. They will use the same venue and use the same game plan as last year.

5k Run: Boosters is looking for someone to take this fundraiser over. They are open to different ideas for dates since it is graduation weekend on Memorial Day weekend next year.

Re-U-Knight: Drop-off dates will be coordinated with the beginning of each new sports season. Ann & Anne are hoping to keep an accurate inventory list, perhaps having the service captains help with this task. Reps were instructed to try and get 2 service captains from each team. It was also suggested to market this new service opportunity to team members.

Misc:

Amazon Smile is now active. Boosters will get a small % of sales through this fundraising tool.

Boosters is looking for members to help run some local restaurant fundraisers.

Team Updates:

Girls Golf is 9-1 Varsity and 8-1 JV

Boys basketball – Open Gym is open!

Boys Cross Country is Undefeated!

Boys Varsity Soccer is 4-2 with 4 games this week.

Girls Cross Country is doing very well and expects to have a strong season

Football – Varsity had its first win last Friday.

Girls Swim and Dive is off to a solid start

There was praise for the athletic trainers and specifically the concussion protocol.

Meeting was adjourned at 8:07.
