Mark asked about what are some of the options for funds this year in light of Covid concerns. Frank says he would be open to creative solutions.

Frank's Report: Thanks for Boosters for gift card donations. Badminton is moved to winter sport – come back from break could start. Could create a conflict for a few athletes, MSL is looking to change the policy of someone playing two sports in one season. Would only apply to sports that were shifted into a different season than previously scheduled. Girl's basketball is doing a book study as a team building activity. IHSA talking to ADs – still on hold with Tier 3 mitigations some winter sports may be able to resume. Need to move out of Tier 3.
