

2023 Boosterpalooza Silent Auction Basket Guidelines

Booster Reps

Please reach out to the parents on your team. Maybe there is something of value one of your parents may want to donate – tickets, jerseys, gift cards, etc. Otherwise, we recommend or suggest that you collect \$5 - \$10 per teammate to make your basket and purchase items for your basket. There are many ideas for baskets on the internet or Pinterest if you need help! Try to keep your basket as general interest as possible. These baskets tend to garner the most bids. Last year our incredible baskets raised almost \$8000 which was all donated back to our athletic teams.

When:

NOW – start this process as soon as possible. All gift baskets will need to be assembled and dropped off on either Monday, Feb. 27 between 5:30-9:30 pm OR Tuesday, Feb. 28 between 5:30-9:30 pm.

Drop off location: Amy Neumann, 424 South Forrest Avenue, Arlington Heights, 60004

Please include the basket form with your basket when dropping it off. It is crucial information that we need for the success of the auction.
